

CalCarb

Safety Data Sheet

Date of revision: January 2020

Section 1: Identification

Product Name: Xtreme Gardening CalCarb

Recommended Use: Mineral Additive

Manufacturer Information: Reforestation Technologies International
5355 Monterey Frontage Rd.
Gilroy, CA 95020
(408) 848-9604

Section 2: Hazard(s) Identification

Hazard Class: Minimal

Hazard Statements: None

Precautionary Statements: Ingredients can irritate eyes. No accidents have been reported of skin irritation. For health emergencies, call your local poison control center.

Section 3: Composition / Information on Ingredients

Chemical Name: Calcium carbonate

Common Name: CalCarb

Chemical Abstracts Services (CAS):

CAS#	Component
471-34-1	Precipitated Calcium carbonate

Section 4: First-Aid Measures

Inhalation: Move person to fresh air. If irritation persists, seek medical attention.

Skin Contact: Minimal- no incidents of irritation to skin reported. Wash thoroughly with soap and water.

Eye Contact: Minimal- ingredients can irritate eyes. Flush thoroughly with water. Seek medical attention if irritation persists.

Ingestion: Product is not considered toxic in small amounts. If swallowed in large amounts and the person is conscious, give large amounts of water to drink and make person vomit. Seek medical attention.

Recommendations: For health emergencies, call your local poison control center. Provide general supportive measures and treat symptomatically.

Section 5: Fire-Fighting Measures

General Fire Hazards: This material will not burn.

Extinguishing Equipment: Material is essentially non- flammable.

Hazardous Combustion: None

Special Protective Equipment: None necessary

Section 6: Accidental Release Measures

Containment Procedures: Contain the discharged material.

Emergency Procedures: Provide adequate ventilation. Cleanup personnel should use personal protective equipment to reduce eye contact, inhalation of dust, and prolonged skin contact. Use vacuum equipment with high-efficiency particulate air (HEPA) filters or wet sweeping/ dust suppressant if sweeping is required.

Cleanup Procedures: If product is contaminated, dispose of in an approved landfill disposal facility in accordance with applicable federal, state, provincial or local regulations.

Section 7: Handling and Storage

Safe Handling: Wear mask when handling to Avoid getting this material into contact with your skin and eyes.

Safe Storage: Store in cool dry, well-ventilated area.

Section 8: Exposure Controls / Personal Protection

Engineering Guidelines:

- General Product Information: Keep formation of airborne dusts to a minimum. Follow the ACGIH recommended exposure limit of 10 mg/m³ for particulates not otherwise classified (PNOC).
- Component Exposure Limits: Precipitated Calcium Carbonate (471-34- 1) NIOSH: 10 mg/m³ TWA (total dust); 5 mg/m³ TWA (irrespirable dust).

Personal Protective Equipment:

- Eyes/Face: Wear dust goggles.
- Skin: Use impervious gloves.

Respiratory: Use a dust mask for particulate concentrations exceeding the occupational exposure limit.

General: Eye wash fountain and emergency showers recommended.

Section 9: Physical and Chemical Properties

Appearance:	White powder
Odor:	No appreciable odor level
Odor Threshold:	Not applicable
pH:	Not applicable
Melting Point/Freezing Point:	Not applicable
Flash Point:	Not applicable
Evaporation Rate:	Not applicable
Flammability (Solid Gas):	Not applicable
Upper/Lower Flammability or Explosive Limits:	Not applicable
Vapor Pressure:	Not applicable
Relative Density:	Not applicable
Solubility:	Not applicable
Auto-ignition Temperature:	Not applicable
Decomposition Temperature:	Not applicable
Viscosity:	Not applicable
Specific Gravity:	2.71

Section 10: Stability and Reactivity

Chemical Stability:	Stable under normal conditions.
Conditions to Avoid:	Avoid contact with acids.
Incompatibility:	Calcium carbonate ignites on contact with fluorine. It is incompatible with acids, alum, ammonium salts, and mercury/ hydrogen mixtures.
Hazardous Decomposition:	Thermal oxidative decomposition of calcium carbonate can produce calcium oxide.
Hazardous Polymerization:	Will not occur.

Section 11: Toxicological Information

Acute and Chronic Toxicity:	Overexposure to calcium carbonate may result in irritation to eyes, skin and respiratory system. Acute ingestion may result in mild gastrointestinal distress while chronic exposure may result in hypocalcemia, alkalosis and renal impairment. The lungs retain approximately 70-80% of inhaled calcium carbonate. Animal studies suggest that inhalation of calcium carbonate dusts may enhance susceptibility to respiratory infection.
Component Analysis:	LD50/LC50
Precipitated Calcium Carbonate:	(471-34-1); Oral LD50; Rat: 6450 mg/kg
Carcinogenicity:	No data available for this product.

No components of this product are listed by any federal government agency as of significant concern.

Section 12: Ecological Information (non-mandatory)

Ecotoxicity:	No ecotoxicity data are available for this product's components.
--------------	--

Aquatic Toxicity:

This material is not expected to be harmful to aquatic life.

Section 13: Disposal Considerations (non-mandatory)

Recommendations on Disposal:

If this material becomes a waste, it does not meet the criteria of a hazardous waste defined by the U.S. Environmental Control Agency (EPA) and Resource and Recovery Act (RCRA) program regulations. More stringent state or local regulations may apply. Combining this material with another may alter this classification. No product components are identified as hazardous waste. No EPA waste numbers are applicable for this product's components.

Section 14: Transport Information (non-mandatory)

UN Number:	Not applicable
UN Proper Shipping Name:	Not applicable
Transport Hazard Class:	Not applicable
Packing Group Number:	Not applicable
Environmental Hazards:	Not applicable
Guidance on Transport in Bulk:	Not applicable
Special Precautions:	None
International Transportation Regulations:	This product is not regulated as a hazardous material by the United States (DOT) or Canadian (TDG) transportation regulations.

Section 15: Regulatory Information (non-mandatory)

US Federal Regulations:

- General product Information: TSCA- all naturally occurring components of this product are automatically included in the USEPA TSCA inventory list per 40 CFR 710.4 (b). All other components are on the USEPA TSCA inventory list. FDA- this product covered by the (FDA) US 21 CFR, Part 184. Sections 184.1 and 184.1191 affirm that calcium carbonate is Generally recognized as Safe (GRAS) for use as a direct and indirect human food ingredient. Affirmation of a substance as GRAS is further referenced in many of the FDA food additive regulations as a basis for various applications involving direct and indirect contact with food. PCC used in paper and paperboard complies with US 21 CFR 176.170 and 176.180 for direct contact with aqueous and fatty foods, and dry foods, respectively.
- Component Analysis: None of the product's components are listed under SARA Section 302 (40 CFR 355 Appendix A), SARA Section 313 (40 CFR 372.65), or CERCLA (40 CFR 302.4).

State Regulations:

- General Product Information: Other state regulations may apply. Check individual state requirements.
- Component Analysis- State: None of this product's components are listed on the state lists from CA, FL, MA, MN, MI, NJ, or PA.

Other Regulations:

- General Product Information: Canadian WHMIS Classification: Not WHMIS regulated.
- Component Analysis- Inventory:

Component	CAS#	TSCA	DSL	NDSL	EINECS	AUST	PHIL	MITI	KOREA	ELINCS	CHINA
Precipitated Calcium carbonate	471-34-1	Yes	Yes	No	Yes	Yes	Yes	Yes	Yes	No	Yes

- Component Analysis-WHMIS IDL: No components are listed in the WHIMIS IDL

Section 16: Other Information

Date of Revision: January, 2020

Notice Concerning This Safety Data Sheet:

The information contained herein is offered only as a guide to the handling of these specific materials. Since such information does not relate to use of the material with any other material or in any process, any person using this information must determine for himself its suitability for any particular application. The buyer and user assume all risk and liability of use, storage and/or handling of this product not in accordance with the terms of the product label.

Xtreme Gardening is a subsidiary of
 Reforestation Technologies International
 5355 Monterey Frontage Rd.
 Gilroy, CA 95020
